

Residency/Core Competency Innovation grant recipients for the 2011-2012 academic year

Children's Hospital of Philadelphia

Develop and validate a distal radius fracture reduction and casting simulator; integrate fracture reduction simulation into the curriculum

McMaster University

Determine whether performance on the OSCE correlates and/or predicts performance on in-training evaluations

New York University

Educate, assess and remediate residents in professionalism, cultural competency, communication skills and clinical skills

Ohio State University

Enhance anatomy education with year-round study tool

Oregon Health and Science University

New microsurgery training curriculum with live rat models

San Francisco General Hospital Foundation

Pilot a structured, blinded assessment of orthopaedic trauma skills using an ankle fracture model and video assessment

University of Iowa Hospitals and Clinics

Continue to develop other fracture models and incorporate the electromagnetic motion capture system for further assessment

University of Rochester Medical Center

Validate ASSET for arthroscopic competency evaluation

Wake Forest University School of Medicine

Treat trauma patients with complex fractures using 3D physical models

Residency/general education grant recipients for the 2011-2012 academic year *

- Banner Good Samaritan Medical Center, Phoenix, AZ
- Emory University, Atlanta, GA
- Henry Ford Health System, Novi, MI
- Maimonides Medical Center, Brooklyn, NY
- McMaster University, Hamilton, Ontario
- Medical University of South Carolina, Charleston, SC
- Minnesota Medical Foundation, Minneapolis, MN
- Riverside County Orthopaedic Surgery Residency Program, Moreno Valley, CA
- Rush University Medical Center, Chicago, IL
- Texas Tech University, Lubbock, TX
- University of California-Fresno, Fresno, CA
- University of California-Davis, Sacramento, CA
- University of Colorado-Denver, Aurora, CO
- University of Florida, Gainesville, FL
- University of Iowa, Iowa City, IA
- University of Maryland Medical System Foundation, Baltimore, MD
- University of Medicine and Dentistry of New Jersey, Brunswick, NJ
- University of Mississippi, Jackson MS
- University of Rochester, Rochester, NY
- University of Specialty Clinics-Orthopaedics, Columbia, SC
- University of Tennessee College of Medicine, Chattanooga, TN
- University of Texas Health Science Center, San Antonio, TX
- Virginia Commonwealth University, Richmond, VA
- Walter Reed National Military Medical Center, Bethesda, MD
- Washington University, St. Louis, MO
- Wellmont Foundation, Inc., Kingsport, TN

Thank you to our residency category donors

Zimmer (founding supporter at the platinum level), and Biomet Orthopedics and Integra Foundation (contributors).

*Programs that have provided signed Grant Recipient Agreements as of 12/13/11
